**(vi) Institutional set-up for Liquidity Risk Management**

The Board of Directors of the Company has an overall responsibility and oversight for the management of all the risks, including liquidity risk, to which the Company is exposed to in the course of conducting its business.

The Board of Directors had approved the constitution of the Risk Management Committee (RMC) for the effective supervision, evaluation, monitoring and review of various aspects and types of risks, including liquidity risk, faced by the Company.

The meetings of RMC will be held on quarterly basis. Further, the Board of Directors had already approved constitution of Asset Liability Committee (ALCO), which functions as the strategic decision-making body for the asset-liability management of the Company from risk-return perspective and within the risk appetite and guard-rails approved by the Board.

The main objective of ALCO is to assist the Board and RMC in effective discharge of the responsibilities of asset-liability management, market risk management, liquidity and interest rate risk management and also to ensure adherence to risk tolerance/limits set up by the Board. ALCO provides guidance and directions in terms of interest rate, liquidity, funding sources, and investment of surplus funds. ALCO meetings are held at regular intervals. The Secretary of the committee shall place the minutes of the meeting before the RMC and the Board of Directors in its next meeting for its perusal/ratification.
