BASIS OF ALLOTMENT

Basis of Allotment for NCDs

The Registrar will aggregate the Applications, based on the applications received through an electronic book from the Stock Exchanges and determine the valid Applications for the purpose of drawing the Basis of Allotment.

Grouping of Applications and allocation ratio

For the purposes of basis of allotment:

- Applications received from Category I Applicants- Institutional Investors:* Applications received from Applicants belonging to Category I shall be grouped together, (“**Institutional Portion**”);
- Applications received from Category II Applicants - Non-Institutional Investors:* Applications received from Applicants belonging to Category II, shall be grouped together, (“**Non-Institutional Portion**”).

For removal of doubt, the terms “**Institutional Portion**”, “**Non-Institutional Portion**”, “**High Net-worth Individual Category Portion**” and “**Retail Individual Category Portion**” are individually referred to as “**Portion**” and collectively referred to as “**Portions**”.

For the purposes of determining the number of NCDs available for allocation to each of the abovementioned Portions, our Company shall have the discretion of determining the number of NCDs to be allotted over and above the Base Issue Size, in case our Company opts to retain any oversubscription in the Tranche II Issue up to the amount specified under the Tranche II Prospectus. The aggregate value of NCDs decided to be allotted over and above the Base Issue Size, (in case our Company opts to retain any oversubscription in the Tranche II Issue), and/or the aggregate value of NCDs up to the Base Issue Size shall be collectively termed as the “**Overall Issue Size**”.

Allocation Ratio:

However, from the date of oversubscription and thereafter, the allotments will be made to the applicants on proportionate basis.

(b) Under Subscription : If there is any under subscription in any Category, priority in Allotments will be given to the Retail Individual Investors Portion, High Net Worth Individual Investors Portion, and balance, if any, shall be first made to applicants of the Non Institutional Portion, followed by the Institutional Portion on a first come first serve basis. If there is under subscription in the Tranche II Issue Size due to undersubscription in each Portion, all valid Applications received till the end of last day of the Tranche II Issue Closure day shall be grouped together in each Portion and full and firm Allotments will be made to all valid Applications in each Portion.

(c) For each Category, all Applications uploaded on the same day onto the electronic platform of the Stock Exchanges would be treated at par with each other. Allotment would be on proportionate basis, where NCDs uploaded into the platform of the Stock Exchanges exceeds NCDs to be Allotted for each portion respectively from the date of oversubscription and thereafter.

(d) Minimum Allotments of 10 NCDs and in multiples of 1 NCD thereafter would be made in case of each valid Application to all Applicants.

(e) Allotments in case of oversubscription: In case of an oversubscription, allotments to the maximum extent, as possible, will be made on a first-come first-serve basis and thereafter on proportionate basis, i.e. full allotment of the NCDs to the Applicants on a first come first basis up to the date falling 1 (one) day prior to the date of oversubscription and proportionate allotment of NCDs to the applicants from the date of oversubscription and thereafter (based on the date of upload of each Application on the electronic platform of the Stock Exchanges, in each Portion).

For the purpose of clarity, in case of oversubscription please see the below indicative scenarios:

- i. In case of an oversubscription in all Portions resulting in an oversubscription in Tranche II Issue Size, Allotments to the maximum permissible limit, as possible, will be made on a first-come first-serve basis and thereafter on proportionate basis, i.e. full allotment of the NCDs to the Applicants on a first come first serve basis up to the date falling 1 (one) day prior to the date of oversubscription to respective Portion and proportionate allotment of NCDs to the Applicants from the date of oversubscription and thereafter in respective Portion (based on the date

of upload of each Application on the electronic platform of the Stock Exchanges in each Portion). The date of oversubscription for each category will be determined as per the bucket size based on the allocation ratio stated above not taking into account any spill overs due to undersubscription in other categories.

- ii. In case there is oversubscription in the Tranche II Issue Size, however there is under subscription in one or more Portion(s), Allotments will be made in the following order:
 - a. All valid Applications in the undersubscribed Portion(s) uploaded on the electronic platform of the Stock Exchanges till the end of the last day of the Tranche II Issue Period, shall receive full and firm allotment.
 - b. In case of Portion(s) that are oversubscribed, allotment shall be made to valid Applications received on a first come first serve basis, based on the date of upload of each Application in to the electronic platform of the Stock Exchanges. Priority for allocation of the remaining undersubscribed Portion(s) shall be given to day wise Applications received in the Retail Individual Investors Portion followed by High Net Worth Individual Investors Portion, next Non-Institutional Portion and lastly Institutional Portion each according to the day of upload of Applications to the Electronic Book with Stock Exchanges during the Tranche II Issue period.
 - c. For the sake of clarity, once full and firm allotment has been made to all the valid Applications in the undersubscribed portion, the remaining balance in the undersubscribed Portion will be Allocated to the oversubscribed Portion(s) and proportionate allotments shall be made to all valid Applications in the oversubscribed Portion(s) uploaded on the date of oversubscription and thereafter on the remaining days of the Tranche II Issue Period.

f) Proportionate Allotments:

For each Portion, from the date of oversubscription and thereafter:

- i. Allotments to the Applicants shall be made in proportion to their respective Application size, rounded off to the nearest integer.
- ii. If the process of rounding off to the nearest integer results in the actual allocation of NCDs being higher than the Tranche II Issue size, not all Applicants will be allotted the number of NCDs arrived at after such rounding off. Rather, each Applicant whose Allotment size, prior to rounding off, had the highest decimal point would be given preference.
- iii. In the event, there are more than one Applicant whose entitlement remain equal after the manner of distribution referred to above, our Company will ensure that the basis of allotment is finalised by draw of lots in a fair and equitable manner.

Applicant applying for more than one Series of NCDs

If an Applicant has applied for more than one Series of NCDs and in case such Applicant is entitled to allocation of only a part of the aggregate number of NCDs applied for, the Series-wise allocation of NCDs to such Applicants shall be in proportion to the number of NCDs with respect to each Series, applied for by such Applicant, subject to rounding off to the nearest integer, as appropriate in consultation with the Lead Managers and the Designated Stock Exchange. Further, in the aforesaid scenario, wherein the Applicant has applied for all the six Series and in case such Applicant cannot be allotted all the six series, then the Applicant would be allotted NCDs, at the discretion of the Company, the Registrar and the Lead Manager wherein the NCDs with the least tenor i.e. Allotment of NCDs with tenor of 24 months followed by Allotment of NCDs with tenor of 36 months and 60 months.
